

We cannot hold a torch to light another's path  
without brightening our own.

We cannot hold a torch to light another's path  
without brightening our own. We cannot hold a torch to light another's

We cannot hold a torch to light another's path  
without brightening our own. We cannot hold a torch to light another's

path without brightening our own. We cannot

hold a torch to light another's path without brightening our own. We cannot hold a torch to light another's
