

To Rev. Myers, Steve Cann and Alan Maron:

Thank you so very much for building the new steps on South Broad Street! The picture on your website of the ‘Easy Rider Steps’ is just wonderful. Brenda Pullman, who lives there, really appreciates them. Now when she comes home from her dialysis treatments she doesn’t have to struggle to get up the stairs. Every time I talk to her she mentions how wonderful they are and how much it has improved her life. What a blessing you all are! Please accept this donation to further the work you are doing.

Be blessed,

Jennifer Pettie
