

Dear Church Members:

I am writing to “thank you” for your donations to the classroom closet. I am a 2nd grade teacher and recently shopped for classroom supplies. Your support of our teachers in this county is greatly appreciated. I am able to keep my students supplied with pencils, glue sticks and other daily needs. Enclosed please find a note of “thanks” from my students*.

Sincerely,

Karan Traywick

***“thanks” from students posted on the bulletin board.**
